

## HBRA Counsellor 2016

### Jack Porter – UK

Hey there! My name is Jack Porter, I'm 22 years old and I'm from Nottingham, UK! That's here, right in the middle!

I currently live in Bristol, where I have been for the last four years, completing my degree in Accounting & Finance! That's down here.

I'm a big fan of sports, whether it be watching or playing and keeping active. Not only is it enjoyable but also a good way of staying fit and healthy. My main hobbies include soccer, cricket and golf!

I play cricket for West Hallam 1<sup>st</sup> XI and normally spend my summers here. I also witnessed England get thrashed at the MCG in Melbourne!

(It doesn't always rain!)

I'm a complete amateur but I still find going for a round of golf very enjoyable and will be taking full advantage of the facilities available at HBRA.

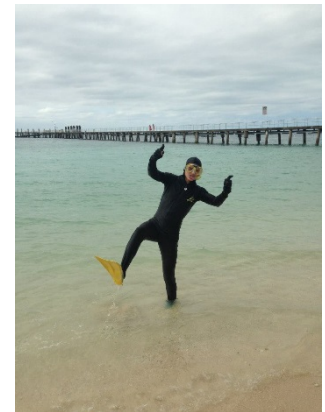

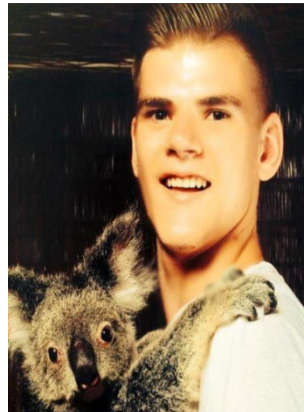

I can now add Skiing to my repertoire of skills after completing the intermediate course through my university! Who'd have thought sliding down a hill could be so much fun!

I love being on the water where I am a competent windsurfer and knee boarder.

I'm willing to give anything a try! During my trip to Australia, I held a snake and a koala, fed kangaroos and even swam with turtles on the Great Barrier Reef! An unbelievable experience.

I also climbed the Sydney Harbour Bridge, which was a big achievement for me as I'm scared of heights!

Me, My Mum & Younger Brother, Harry.

I'm really exciting about this summer and I'm very much looking forward to meeting you all and contributing to what I'm sure will be another fantastic summer season at Harbor Beach Resort.

See you soon!
