

# Harbor Beach RA

Albert Faura Vila

Hello everybody! My name is Albert and I'm going to be one of the counselors of this summer 2017 in Harbor Beach!

I'm 20 years old and I live in Sant Cugat, it's a city close to Barcelona, the best city in the world!

Nowadays, I'm doing 3rd year of Economics at University of Barcelona. I've made very good friends there!

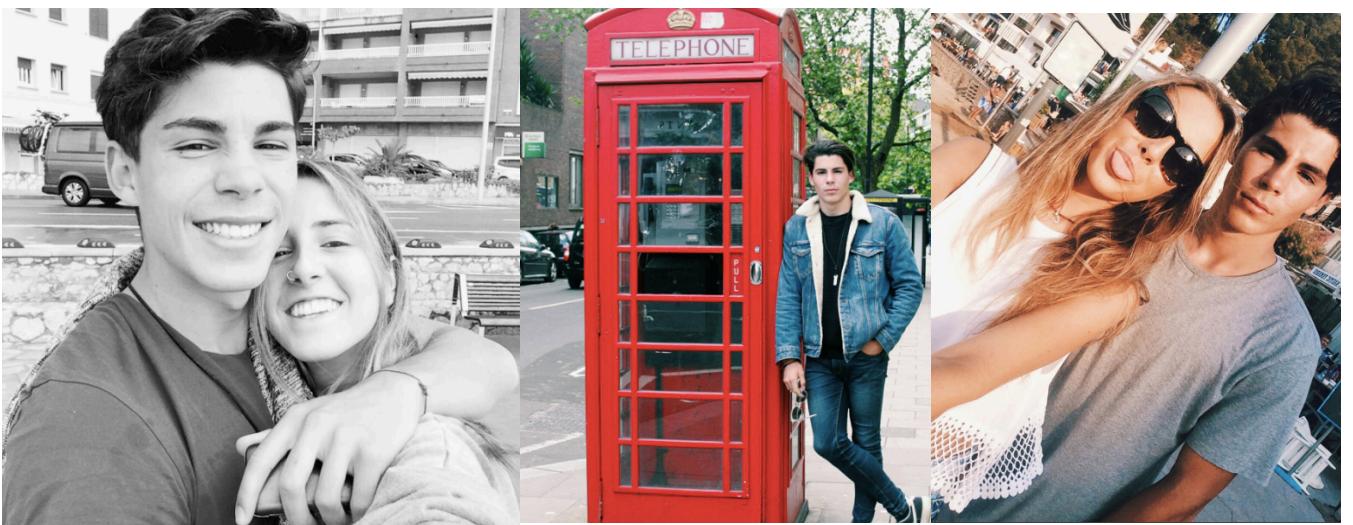

My family is lovely. My father, Xavi, works as a business manager and he is a very good athlete. He plays tennis as well as me, and he is my example of life. He is a leader and an optimistic person. My mother, Anna, works at a TV station, she's very strong-minded and so vital. I have a brother called Joan, he's 17

years old, and he has been following my steps in the world of sport. He plays the guitar and I play the piano. I made several trips with them and I had lots of fun. We went to Paris, Rome, Mallorca, Menorca, Warsaw, Moscow...

I have a girlfriend who is almost a family more, her name is Maria and we have travelled together to Venice and London. She's so lovely.

• I show you many pictures of my life! Travelling, blogging and doing the sports that I love. I'm very optimistic, excited, responsible and easy-going person.

- I'm so impatient for this camp! We are going to make this summer the best of our lives together! See you soon in the Harbor Beach Resort Association :)
