

Hi everyone! My name is Iñigo, I am 23 years old and I'm from Spain. I have an older sister and a younger brother. I'm currently doing a Bachelors degree in Law and Criminology in Valencia University. I'm in my last year. Right now I live in Valencia, which is an awesome city to live.

Although my parents are from the north of Spain, I'm from Castellon. Here is Castellon, which is in the east coast of Spain. What I most like about this city is how close the mountains are to the beach, so you can do lots of different activities.

As you can see I'm an active guy so I love doing sports such as soccer, cycling, hiking, skiing (my favorite), karting, canoeing, and so on. I have also played in several soccer teams but not in professional though. (The trophy you see in the picture was given to us for being the fairest playing team of the tournament, not for won it, and very proud of that!)

Of course, one of my favorite hobbies is travelling so I have been in a lot of European countries like Portugal, France, Germany, Poland (where I studied for one year), Czech Republic, Italy, etc. In spite of having already visited the USA twice, I'm really looking forward to live this experience at HBRA as a counselor with you this summer!

Here are some pictures of me travelling and doing sports with my girlfriend and family.

As you can see, I'm a motorsports fan, especially Formula One. Here are some pictures of me trying out all different kinds of cars. I even got to drive a real race car on a track!

I can't wait to meet you and have a fun with at the camp. See you soon in the HBRA!
