

# Lauren Fagan, 22

# SCOTLAND

***Hi (again) everyone!***

**My name's Lauren Fagan,  
and this will be my second  
summer at HBRA!!! I loved  
summer 2017 so much I  
decided to come back to see you all.  
(Sorry you can't get rid of me JUST yet!) ?**

**...I'm from a small town called  
Uddingston just outside Glasgow, in  
*Scotland* (a *tinnyyyyy* country in the  
UK compared to the States!) P.S... I can't play the  
bagpipes and I've never tried haggis! I have two  
brothers, one older and one younger, we get on great  
(well, most of the time!)**

I'll be **22** years old by the time summer comes around, and will have just returned from spending a year abroad as part of my university degree - *I study History & Spanish at Strathclyde University in Glasgow...*

Between the end of summer 17'and the beginning of this summer, I worked in a high school and elementary school as an English language assistant in **Seville, Spain**. It truly was an unforgettable experience, I have learned and gained so

much from being there.

Aside from spending last year at HBRA with you, I also worked as a camp counselor in summer 2016 in *Winter, Wisconsin*. It was an amazing experience that again, I will never forget!!!

I love to hang out with my friends and family and I lovvvvveeee to travel as much as I can, and have been so lucky to have had the opportunity to see lots of the US after my two summers there

and also to see a lot of Spain this last year.

*Check out the pics at the bottom!!!*

*C ya soon! x*
