

Hello guys, my name is Dragos Muntean and you can call me Drago like a Dragon :D.

Right now I live in a beautiful city located between mountains called Brasov from Romania.

This city, right now is splited in two parts: old town which you can see it in the pics and the new one.

Actually my home town is Victoria where my parents and my younger brother live.

I am 22 years old guy but I don't really care about age...so yeah soon I will be 23 and I'm just living life

I graduated Physical Education and Mountain Sports, I love being outside in the nature working with people, kids and anyone with a positive and enthusiastic attitude. The winter just ended, it was great and beautiful, I had the chance to meet great skiers and snowboarders. I am a board lover and a skier.

I like working with kids because they always want to play and they don't think about problems, they are just cute kids :)...some of them. I love teaching them sports because that will make them smile and enjoy every moment of their lives outside.

I've been at Lake Powell- Arizona my last two summers doing water activities and having a great time.

And because I'm a nature lover I thought myself on another summer somewhere close to water will be exactly what I want and just like that HBRA will be perfect. I really like what I seen in the pictures and videos from Harbor Beach-Lake Huron. I am sure that you guys are excited as well and I can't wait to meet you in person at Lake Huron.

See you soon!
